### Insurance premiums & fees

We collect and hold insurance premiums as agent of the insurer. When we provide you with a quotation, we will tell you about any fees which may apply in addition to the insurance premium. The fees shown are current at the time of printing but we do reserve the right to vary them if necessary.

We may charge the following fees:

## Your duty of disclosure

It is important that you provide us and/or your insurers with any information likely to affect the assessment and acceptance of your travel insurance. Where we ask for information please make sure it is accurate and let us know if there are any changes on an on-going basis. Please ensure you read the terms and conditions carefully to ensure that you are aware of the information that we and/or insurers will require relating to the travel cover we are arranging for you. If you are in any doubt as to whether information is relevant then you should call and discuss it with us and/or your insurers.

If you have arranged a policy and you declare details of your change in health after the date you bought your policy we reserve the right to charge an additional premium to allow cover to continue, add further terms and conditions to your policy or exclude cover for claims arising from the change in health.

If we are not able to provide cover for the change in circumstances or if you do not wish to pay the additional premium which is necessary to allow cover to continue, you will be entitled to make a claim under Section 1 (Cancellation) for your irrecoverable travel and accommodation costs. Alternatively, you will be entitled to cancel your policy, in which case, we may refund a proportionate amount of your premium.

The increased excess will apply to all persons insured on the policy whose claim has been caused by the declared medical condition.

## Medical Assistance Helpline

**IN CASE OF A SERIOUS EMERGENCY:** Please contact the 24 hour emergency assistance service provided by **Emergency Assistance Facilities + 44 (0) 203 824 0715**

**Your policy covers treatment at a public/state facility only, unless approved by us.** Call an ambulance using the local equivalent of a 999 number, or alternatively by dialling 112 within the EU, and then contact **Emergency Assistance Facilities** for advice. **We** strongly suggest **you** put their telephone number, **+ 44 (0) 203 824 0715**, into **your** mobile phone before **you** travel so that it is to hand if **you** need it. Get details of the hospital **you** are being taken to so that **our Emergency Assistance Facilities** doctor will be able to obtain a medical report at the earliest possible opportunity. **You** may need to pay the policy excess locally and ask the hospital to send the rest of their bills to **Travel Claims Facilities** at: 1 Tower View, Kings Hill, West Malling, Kent, England, ME19 4UY. **Our** appointed assistance service, **Emergency Assistance Facilities**, will explain this to them and provide them with a faxed/ email confirmation if necessary.

**You will need to have some basic information for them to hand:**

- **your** telephone number in case **you** are cut off
- patients name, age and as much information about the medical situation as possible
- name of the hospital, ward, treating doctor and telephone numbers if **you** have them
- tell them that **you** have Flexicover Travel Insurance, policy number and the date it was bought
- patients UK GP contact details in case they need further medical information

**Things to be aware of/remember**

- **Your** policy does not cover any costs for private medical treatment unless approved by **us**
- **NEVER** give **your** passport to a clinic or hospital
- It is not always possible to return **home** immediately after discharge following injury or illness. **You** will be able to return **home** when the assistance service considers it safe, in conjunction with **your** doctor, and airline regulations have been met. Sometimes **you** will need to stay in resort for a while longer before returning **home** so the assistance team will arrange additional accommodation for **you**.
- **You** may be required to obtain **your** medical records in the event of a claim.

#### OUT-PATIENT TREATMENT OR MINOR INJURY OR ILLNESS:

If **you** need to see a doctor, ask **your** hotel reception or tour representative for the nearest public/state medical facility. Some hotels will urge **you** to seek private treatment however this is not necessary as private medical facilities vary greatly and are not equipped to deal with all emergencies. They may give **you** unnecessary treatment and at inflated prices - if **you** are ever in doubt please call the assistance team for advice on where to seek treatment. In Europe **you** should show them your EHIC card as medical treatment will be free or at a reduced cost and **you** will not be required to contribute towards the claim as the standard policy excess will be reduced to NIL (increased excesses applied to declared conditions will still be required to be paid, if related to the cause of **you** requiring medical treatment). **You** will only be covered for the cost of private treatment if this is approved in advance by **Emergency Assistance Facilities**. If **your** outpatient bill is less than £500 then **you** will need to pay this to the medical facility, and ensure **you** keep all receipts so **you** can claim upon **your** return. In the event that **you** need to seek outpatient treatment when **you** are travelling in any of the countries listed below then it may be that immediate payment can be arranged locally using the services of Charge Care International whom **we** have appointed to act on **our** behalf. To take advantage of this service please show the treating doctor or clinic the logo shown below as this will enable them to identify **our** membership and avoid language difficulties. If the hospital **you** are treated at subscribes to this service they will ask to see your proof of insurance so it is important to carry this with **you**. **You** will be asked to complete a simple Charge Care form to confirm the nature of the treatment received. The doctor or clinic will collect the policy excess from **you** and send their bill to Charge Care for payment. The countries where this service is available are: Greece and the Greek Islands, Cyprus, Bulgaria, Egypt, Mexico and Turkey. www.chargecareinternational.co.uk

#### WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers **you** to come **home** early because **you** are ill or injured only if medical treatment is not available locally. If **you** are thinking of cutting short **your** trip because **you** are not well then **you** must contact **Emergency Assistance Facilities on + 44 (0) 203 824 0715** for advice first. If **you** need to come **home** for any other reason, such as the illness of a close relative in the **United Kingdom, Channel Islands** or **BFO** then **you** should make **your** own arrangements, bearing in mind **your** duty to act at all times as if uninsured. If **you** are not sure whether **your** circumstances are included in the cover then call **Travel Claims Facilities** on **0203 824 0716**

## Reciprocal health agreements with other countries

#### EU, EEA or Switzerland

If **you** are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland **you** are strongly advised to obtain an European Health Insurance Card (EHIC) by completing an application form via www.ehic.org.uk. **You** can also apply by telephoning the EHIC application line on 0300 330 1350. This will entitle **you** to benefit from the reciprocal health care arrangements which exist between countries within the EU/EEA or Switzerland.

If **we** agree to pay for a medical expense which has been reduced because **you** have used either a European Health Insurance Card or private health insurance, **we** will not deduct the policy excess under Section 2 - Emergency medical and other expenses.

#### Australia

If **you** need medical treatment in **Australia**, **you** should enrol with a local MEDICARE office. **You** do not need to enrol when **you** arrive, but **you** should do this after the first occasion **you** receive treatment. In-patient and out-patient treatment at a public hospital will then be available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website on www.medicareaustralia.gov.au. Alternatively, please call the **Emergency Assistance Facilities** helpline for guidance.

If **you** are admitted to hospital, **you** must contact the **Emergency Assistance Facilities** helpline as soon as possible and get their authorisation in respect of any treatment NOT available under MEDICARE.

#### A note to all insured people, doctors and hospitals

This is not a private medical insurance. If **you** need any medical treatment, **you** must tell us immediately or **we** may not guarantee medical expenses. If **you** need any medical treatment, **you** must allow us or **our** representatives to see all of **your** medical records and information.

Contact the **Emergency Assistance Facilities** helpline on telephone number: **+ 44 (0)203 824 0715**

    - your close relative**
    - your close business associate**.
  - Compulsory quarantine, jury service attendance or being called as a witness (but not as an expert witness) at a Court of Law of **you** or any person who **you** are travelling with or have arranged to travel with.
  - Redundancy (provided employment has been on a continuous full time basis with the same employer for at least 24 months and qualifies for payment under current redundancy payment legislation and, at the time of booking the **trip** or purchasing this policy, there was no reason to believe anyone would be made redundant) of **you** or any person who **you** are travelling with, or have arranged to travel with.

4. **You** or any person who **you** are travelling with, or have arranged to travel with, are a member of the Armed Forces, Territorial Army, Police, Fire, Nursing or Ambulance Services or employees of a Government Department and have **your**/their authorised leave cancelled or are called up for operational reasons, provided that such cancellation or **curtailment** could not reasonably have been expected at the time when **you** purchased this insurance or at the time of booking any **trip**.
5. A government directive prohibiting all travel to, or recommending evacuation from, the country or area **you** were planning to visit or were staying in, as a result of natural disasters (such as earthquakes, fires, tsunamis, landslides, floods, hurricanes or epidemic(s) / pandemic(s)).

#### Special conditions relating to claims

1. **You** must get (at **your** own expense) a medical certificate from a **medical practitioner** and the prior approval of the **Emergency Assistance Facilities** helpline to confirm the necessity to return **home** prior to **curtailment** of the **trip**, due to death, **bodily injury**, illness, disease or complications arising as a direct result of pregnancy.
2. If **you** fail to notify the travel agent, tour operator or provider of transport or accommodation as soon as **you** find out it is necessary to cancel the **trip** the amount **we** will pay will be limited to the cancellation charges that would have otherwise applied.
3. If **you** cancel the **trip** due to:
  - bodily injury**, illness, disease, a new **medical condition** or complications arising as a direct result of pregnancy, **you** must provide (at **your** own expense) a medical certificate from a **medical practitioner** stating that this necessarily and reasonably prevented **you** from travelling.

**We** need the medical certificate completed as soon as **you** find out it is necessary to cancel the **trip**, as any delay in seeing a **medical practitioner** could mean that **your** symptoms are no longer present. If **you** cannot get an immediate appointment, please make one for as early as possible and keep all details of this to help substantiate **your** claim.
4. On the condition that **you** contact **us** first, and that **we** make all the travel arrangements, **we** will pay necessary additional travelling costs incurred in returning **you home** in the event **you** have a valid **curtailment** claim. If the situation permits, and the period of **your** original booked **trip** has not expired, **we** will also pay necessary additional travel costs in transporting **you** back to the location abroad. Travel by air will be limited to one economy/tourist class ticket for each **insured person**.
5. **We** will only consider the unused expenses of a person who has taken out insurance cover with Flexicover. For example, if **you** are travelling with someone who is not insured, **we** only pay **your** proportion of costs, not theirs.

#### What is not covered

1. The policy excess as shown in the summary of cover for each and every claim per incident claimed for under this section by each **insured person**.
2. The cost of **your** unused original tickets where the **Emergency Assistance Facilities** helpline or **we** have arranged and paid for **you** to come **home** following **curtailment** of the **trip**. 5. Travel tickets paid for using any airline mileage or supermarket reward scheme, for example Air Miles or Avios points, unless evidence of specific monetary value can be provided.
6. Accommodation costs paid for using any timeshare, holiday property bond or other holiday points scheme.

8. The provider (for example, an airline, hotel, ferry company and so on) not providing any part of the **trip you** have booked, (this could be a service or transport) unless the event is covered by this policy. If this happens, **you** should claim against the provider.
9. Cancellation caused by pregnancy or childbirth unless the cancellation is certified by a **medical practitioner** as necessary due to **complications of pregnancy and childbirth**;
10. Your failure to obtain the required ESTA, Visa, vaccinations or inoculations in time.

- Make sure you've got correct visas for the country you are visiting and that your passport is valid
- All first time adult passport applicants must now attend an interview to verify their identity. It now takes up to six weeks to get a first passport. For more information please read our passports information

### When you are away

- Think about what you are doing at all times and trust your instincts – don't take risks that you wouldn't at home
- Don't openly display valuables such as mobile phones or digital cameras and consider using a padlock on suitcases or backpacks
- Find out about local customs and dress, behave accordingly and obey local laws – there may be serious penalties for breaking a law that might seem trivial at home
- Be careful when taking photographs, videos or using binoculars. Such activities may be misunderstood, especially near military installations
- Consider taking your mobile with you or renting one while you're away. Store useful numbers such as the local Police and the nearest embassy or consulate
- Check with your service provider to make sure your phone works abroad
- Respect the environment – don't buy wildlife souvenirs, conserve resources like water and don't drop litter

- Check import regulations for food and plants before you attempt to bring them back to the UK

### Getting married abroad

Contact the local authorities in the country where you want to get married or enter into a civil partnership to find out what you need to do.

Your marriage or civil partnership should be recognised in the UK if you follow the correct process according to local law.

You might be asked to get certain documents from the UK government if you're a British national.

Visit [www.gov.uk/browse/citizenship/citizenship](http://www.gov.uk/browse/citizenship/citizenship) to find out:

- Which documents you can get
- How to apply for them

### Financial protection for holidays

If your travel provider goes bankrupt when you're abroad on holiday you need to know you won't get stranded without a refund. Fortunately there are several associations that exist to help protect and support you – we've explained how below.

### Book your foreign holiday through a reputable travel company

Good travel agents and tour operators will give you security through:

- An Air Travel Organisers Licence (ATOL)
- Membership with an approved body such as ABTA; the Association of Bonded Travel Organisers Trust (ABTOT); the Association of Independent Tour Operators (AITO); Bonded Coach Holidays (BCH); or the Federation of Tour Operators (FTO)
- A suitable insurance policy
- A protection scheme or trust fund for any payments you make in advance

Many of the travel arrangements provided by these kinds of companies are protected in case of the financial failure of the travel company. You should, however, always ask your travel company if financial protection applies to your travel arrangements. If it doesn't, the company may be able to offer suitable insurance to cover you.

If you have booked a 'package' holiday (usually a combination of transport and accommodation) in the UK then you will be protected by the Package Travel Regulations, which give consumers special protection where things go wrong or circumstances change in the period after the booking has been made.

### Air Travel Organiser's Licensing

ATOL is a consumer protection scheme for air holidays and flight, managed by the Civil Aviation Authority (CAA).

### How ATOL protects you

The scheme protects you from losing money or being stranded abroad when a travel firm goes out of business.

All travel firms that sell air holidays and flights in the UK must hold an ATOL, which is only issued after a firm has met the CAA's criteria. Licensed travel firms must also contribute to a financial protection fund managed by the Air Travel Trust (ATT). In the event of an ATOL travel firm's failure, the CAA uses the fund to ensure people abroad are able to finish their holidays and fly home, while those unable to travel are able to receive a refund. ATOL is the only scheme for flights and air holidays sold by travel firms in the UK.

### How you can get ATOL protection

When you make a holiday booking, make sure the travel firm has a licence; firms are required to display their ATOL licence number on websites and in brochures, and when you book, the ATOL holder or their agent must give you an ATOL Certificate confirming you are ATOL protected immediately when you pay any money (even a deposit) for an air holiday or flight. This should include the name of the licensed firm you've booked with, their ATOL number and details of what's protected. You should take these documents with you when you travel.

You will not be protected by ATOL if you:

- Just buy a scheduled flight and receive an airline ticket or other airline confirmation within 24 hours of payment
- You book direct and pay an airline direct

The ATOL website has more information about the ATOL scheme and you check whether your travel firm is licensed. For further details please visit [www.caa.co.uk](http://www.caa.co.uk)
