Insurance premiums & fees

We collect and hold insurance premiums as agent of the insurer. When we provide you with a quotation, we will tell you about any fees which may apply in addition to the insurance premium. The fees shown are current at the time of printing but we do reserve the right to vary them if necessary.

Your duty of disclosure

It is important that you provide us and/or your insurers with any information likely to affect the assessment and acceptance of your travel insurance. Where we ask for information please make sure it is accurate and let us know if there are any changes on an on-going basis. Please ensure you read the terms and conditions carefully to ensure that you are aware of the information that we and/or insurers will require relating to the travel cover we are arranging for you. If you are in any doubt as to whether information is relevant then you should call and discuss it with us and/or your insurers.

If you have arranged a policy and you declare details of your change in health after the date you bought your policy we reserve the right to charge an additional premium to allow cover to continue, add further terms and conditions to your policy or exclude cover for claims arising from the change in health.

If we are not able to provide cover for the change in circumstances or if you do not wish to pay the additional premium which is necessary to allow cover to continue, you will be entitled to make a claim under Section 1 (Cancellation) for your irrecoverable travel and accommodation costs. Conditions

You are travelling with the intention to return to the United Kingdom, Channel Islands or BFPO within your trip dates unless an extension has been agreed with us and we have confirmed this in writing.

It is essential that you refer to the 'important conditions relating to health' section on pages 15-16 section in the policy wording as failure to comply with these conditions may jeopardise your claim or cover.

Your Flexicover travel insurance policy is not a private medical insurance policy and does not cover private medical treatment, private hospital costs or other related expenses incurred unless these have been specifically agreed and authorised by the Medical Emergency Assistance Company.

This policy only provides cover in the event of an accident or sudden illness that requires emergency treatment. In the event of any medical treatment becoming necessary which results in a claim under this insurance, you will be expected to allow insurers or their representatives unrestricted reasonable access to your medical records and information.

There is no cover under Section 2 – Emergency medical and other expenses and Section 3 – Hospital benefit for claims occurring in your home area.

You have agreed that this policy, schedule and any endorsements will only be available in English and shall be governed by and construed in accordance with the law of England and Wales.

All communication relating to this policy or any claims will be in English

If you are travelling to Australia and you require medical treatment you should enrol with a local Medicare office.

Special conditions apply to each section of your policy – please refer to the policy wording for full details.

If you are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland, you are strongly advised to obtain an European Health Insurance Card (EHIC) by completing an application form via www.ehic.org.uk

Please note: The European Health Insurance Card (EHIC) is not available to residents of the Channel Islands or Isle of Man.

Significant features and benefits

All insured persons are covered to travel independently.

War risks, civil commotion and terrorism – cover for these events is only provided under Section 2 – Emergency medical and other expenses, Section 3 – Hospital benefit and Section 4 – Personal accident (unless caused by nuclear, chemical or biological attack) – Please see paragraph 1. in the 'General exclusions on pages 16-18 – applicable to all sections of the policy' in the policy wording for full details.

Significant or unusual exclusions or limitations

The standard excesses and any increased amount you have agreed to pay will be shown within your policy wording or on the policy schedule.

Any trip that has already begun when you purchase this insurance will not be covered, except where this policy replaces or you renew an existing Annual Multi-Trip policy which fell due for renewal during the trip.

General exclusions applicable to all sections of the policy

A number of sports, activities and Winter Sports are excluded – Please see paragraphs 5, 6 and 7 in the General exclusions on pages 16-18 in the policy wording.

Climbing on or jumping from vehicles, buildings or balconies regardless of the height.

You drinking too much alcohol (a blood alcohol level that exceeds 0.19% – approximately 4 pints or 4 glasses of wine) resulting in a claim. Willful, self inflicted injury (except where it is to save human life), suicide, drug use or solvent abuse.

Unlawful actions or any criminal proceedings brought against you (this does not apply to Section 14 – Incarceration abroad)

Travel to a country, specific area or event which the Foreign and Commonwealth Office (www.fco.gov.uk) or the World Health Organisation (www.who.int) has advised against all travel or all but essential travel (this does not apply to Section 1 – Cancellation and curtailment if the date the trip was booked or the policy was purchased before the date the advice was issued).

Health conditions

We will not pay claims if at the time of taking out this insurance and/or, for Annual Multi-Trip policies prior to the booking of any individual trip you;

- are receiving or waiting for hospital tests or treatment for any condition or set of symptoms that have not been diagnosed;
- are travelling against the advice of a medical practitioner or travelling to get medical treatment abroad;
- have been told about a terminal condition.

We will not pay claims if your medical condition changes between the date you bought the policy and the date you book each trip (if you have arranged an Annual Multi-Trip policy) unless you tell Flexicover about the change in your medical condition and they accept that change for cover. If we cannot cover ALL your medical condition(s), or you do not want to pay the additional premium quoted, we will give you the choice of either:

- making a cancellation claim for any pre-booked trips; or
- continuing the policy but without cover for your medical condition(s); or
- cancelling your policy and receiving a proportionate/partial refund (provided that you have not made a claim or are about to).

Important limitations – Cancelling and cutting short your holiday

If it becomes necessary for you to curtail or cancel your trip following a serious illness or death of a close relative or business associate (both considered "the third party"), you will only be covered upon the written confirmation of the third party's medical practitioner that he/she would not have foreseen such a deterioration in his/her patient's condition at the time insurance was taken out or before your trip was booked.

You should also refer to the General exclusions on pages 16-18.

Returning early to your home area

We must agree for you to return to your home area (or your final country of a one-way trip) under Section 2 (Emergency medical expenses) or Section 1 (Cancellation and curtailment). If we do not agree, we will not provide cover and may reduce the amount we pay you to return to your home area (or the final country of a one-way trip).

Pregnancy and childbirth

Our policies include emergency medical expenses cover for pregnancy and childbirth from week 0 to week 28 inclusive whilst you are away. From the start of week 29 to week 40 of the pregnancy, there is no cover for claims relating to normal pregnancy and normal childbirth or cancellation, however, medical expenses and cancellation cover will be provided if any of the following complications arise: Toxaemia, Gestational diabetes, Gestational hypertension, Ectopic pregnancy, Post-partum haemorrhage, Pre-eclampsia, Molar pregnancy or hydatidiform mole, Retained placenta membrane, Placental abruption, Hyperemesis gravidarum, Placenta praevia, Stillbirth, Miscarriage, Emergency Caesarean, A termination needed for medical reasons, Premature birth more than 12 weeks (or 16 weeks if you know you are having more than one baby) before the expected delivery date.

Please note we will not cover denial of boarding by your carrier so you should check that you will be able to travel with the carrier/airline in advance. It is essential, if at the time of booking your trip you are aware that you are pregnant, that you ensure that you are able to have the required vaccinations for that trip; no cover will be provided for cancellation in the event that, after booking you discover travel is advised against, or you are unable to receive the appropriate and required vaccinations for that country.

Excesses

Under most sections of this policy you have to pay the first part of any claim. This is called an excess. All excesses shown for this policy are payable by each insured person, per section and for each incident giving rise to a separate claim. This amount is shown under each of the sections where it applies. Your excess may be increased to include existing medical conditions confirmed in writing by us. The increased excess will apply to all persons insured on the policy whose claim has been caused by the declared medical condition.

Property claims

The Baggage section only covers items that belong to you, is not 'new for old' and an amount for age, wear and tear and depreciation will be deducted.

If **we** are required to do so, we can:

- Take over and deal with, in **your** name, the defence / settlement of any claim made under the policy.
- Subrogate against the responsible party and take proceedings in **your** name, but at **our** expense, to recover for **our** benefit the amount of any payment made under the policy.

Important conditions relating to health

These apply to Section 1 – Cancellation or curtailment charges, Section 2 – Emergency medical and other expenses, Section 3 – Hospital benefit, Section 4 – Personal accident and Section 41 – Course fees.

It is very important that **you** read and understand the following.

1. **You** will not be covered for **medical conditions** if **you** have not told **Healthscreen247** about them and they have not agreed to cover them in writing. **You** will also not be covered for anything that arises from, or is in any way related to, or has been triggered or caused by, a **medical condition**, unless **you** have told **Healthscreen247** about the condition/s and they have agreed to cover them and confirmed this in writing.
2. If **Healthscreen247** are unable to cover the **medical condition**, this will mean that **you** and any other person insured by **Healthscreen247** will not be covered for any directly related claims arising from the **medical condition**.
3. **We** will not pay any directly related claims if at the time of taking out this insurance or when booking a **trip** under an Annual Multi-Trip policy **you**:

- a. have any **medical conditions** for which in the past 2 years:
 - i. **you** have had or are waiting for any consultations, investigations or follow-ups;
 - ii. **you** are having or have had treatment or prescription medication;
 - iii. **you** are on a waiting list for, or knew **you** needed surgery, inpatient treatment or tests at a hospital or clinic at the date **you** bought the policy or the date **you** book **your trip**;
 - b. have **EVER** been diagnosed with or treated for any of the following:
 - Any type of Heart or Circulatory condition
 - Any type of Stroke, TIA (Transient Ischaemic Attack) or High Blood Pressure
 - A Brain Haemorrhage
 - Any type of Breathing Condition (such as Asthma)
 - Any type of Cancer (even if now in remission)
 - Any type of Diabetes
 - Any type of Irritable Bowel Disease
4. If **your** health changes after **you** purchased **your** policy but before **you** travel, **you** must tell **Healthscreen247** about these changes if because of these **you** have:
- changed **your** medication
 - seen a doctor and have seen or been referred to a consultant or specialist
 - been admitted to hospital for, or are waiting to receive treatment (including surgery, tests or investigations) or the results of tests and investigations

Healthscreen247 will then tell **you** if they can cover these **medical condition(s)** and if there is any additional premium to pay.

If **Healthscreen247** cannot cover **your medical condition(s)**, or **you** do not want to pay the additional premium quoted, **we** will give **you** the choice of either:

- making a cancellation claim for any pre-booked trips; or
- continuing the policy but without cover for **your medical condition(s)**. **We** will cancel any applicable medical screening for this policy and **you** will receive a proportionate/partial refund (provided that **you** have not made a claim or are about to); or
- cancelling **your** policy and receiving a proportionate/partial refund (provided that **you** have not made a claim or are about to).

UNLESS

You have told **Healthscreen247** about all **your** relevant **medical conditions** and they have accepted them in writing.

You should contact **Healthscreen247** at www.healthscreen247.com or by calling **0330 123 5711** if:

- **you** need to declare a **medical condition**;
 - **you** are unsure whether a **medical condition** needs to be declared or not.
5. **We** will not pay any directly related claims if at the time of taking out this insurance or when booking a **trip** under an Annual Multi-Trip policy **you**:
- a. Are receiving or waiting for tests, investigations or treatment for any condition or set of symptoms that have not been diagnosed;
 - b. have been given a terminal prognosis by a doctor;
6. **We** will not pay any directly related claims if at any time **you**:
- a. travel against the advice of a **medical practitioner** or where **you** would have been advised against travel if **you** had sought their advice before beginning **your trip**;
 - b. incur costs for medical treatment or consultation at any medical facility during **your trip** that **you** knew would be required before travelling;
 - c. are travelling specifically for the purpose of obtaining and / or receiving any elective surgery, procedure or hospital treatment;
 - d. are not taking the recommended treatment or prescribed medication for a **medical condition** as directed by a **medical practitioner**;
 - e. travel against health requirements stipulated by the carrier, their handling agents or any other **public transport** provider.
 - f. choose not to adhere to medical advice given.

Please note – It is vital that **you** answer each question honestly and accurately, taking care not to make any misrepresentation of the facts, as inaccurate answers may result in **insurers** declining any claims costs that, as a result, may arise.

Important limitations – Cancelling and cutting short your holiday

If it becomes necessary for **you** to **curtail** or cancel **your trip** following a serious illness or death of a **close relative** or **business associate** (both considered “the third party”), **you** will only be covered upon the written confirmation of the third party’s **medical practitioner** that he/she would not have foreseen such a deterioration in his/her patient’s condition at the time insurance was taken out or before **your trip** was booked.

Medical Assistance Helpline

IN CASE OF A SERIOUS EMERGENCY: Please contact the 24 hour emergency assistance service provided by **Emergency Assistance Facilities + 44 (0) 203 824 0713**

Your policy covers treatment at a public/state facility only, unless approved by Emergency Assistance Facilities. Call an ambulance using the local equivalent of a 999 number, or alternatively by dialling 112 within the EU, and then contact **Emergency Assistance Facilities** for advice. We strongly suggest you put their telephone number, + 44 (0) 203 824 0713, into your mobile phone before you travel so that it is to hand if you need it. Get details of the hospital you are being taken to so that our **Emergency Assistance Facilities** doctor will be able to obtain a medical report at the earliest possible opportunity. You may need to pay the policy excess locally and ask the hospital to send the rest of their bills to **Travel Claims Facilities** at: PO Box 395, Hertford, SG13 9JW. Our appointed assistance service, **Emergency Assistance Facilities**, will explain this to them and provide them with a faxed/ email confirmation if necessary.

You will need to have some basic information for them to hand:

- your telephone number in case you are cut off
- patients name, age and as much information about the medical situation as possible
- name of the hospital, ward, treating doctor and telephone numbers if you have them
- tell them that you have Flexicover Travel Insurance, policy number and the date it was bought
- patients UK GP contact details in case they need further medical information

Things to be aware of/remember

We understand that if you are suddenly faced with a medical emergency it can be very stressful and frightening. The following is a guide to help you cope in such a situation, and understand how the 24 hour emergency assistance service will work on your behalf.

- Always remember that your travel insurance does not cover the cost of private medical treatment unless it has been approved by **Emergency Assistance Facilities**.
- We suggest that you nominate one person to be the contact point for **Emergency Assistance Facilities**, this will ensure that they are not trying to explain matters to numerous people, which simply causes confusion and delay for everyone concerned.
- Make sure your mobile phone is fully charged, and able to receive incoming calls when you are abroad.
- It will not always be possible for the **Emergency Assistance Facilities** doctor to call you back straight away, this could be due to time zone differences or because he is awaiting further information from the treating doctor or hospital. This does not mean that you have been forgotten, and wherever possible a member of the operations team will keep you regularly updated.
- Please remember that the first priority of **Emergency Assistance Facilities** is your safety and wellbeing, and that they will take the appropriate action necessary to ensure this. Such action could entail:
 - Moving you from a private facility (if you have not been admitted to a state registered hospital) where the standard of treatment might be inadequate or the price of treatment inflated for tourists.
 - A request for further tests to be made by the treating doctor to evaluate when, and what method of repatriation would be suitable.
 - Recommending an extended stay in the hospital (or a local hotel) until your condition has stabilised sufficiently to allow your safe return home.
- Although the local doctor might discharge you from hospital and suggest that you can return home, there are regulations imposed by airlines regarding when you can, and cannot fly following a serious accident or an operation. **Emergency Assistance Facilities** doctors are experts in aviation medicine, and the decision as to when it is safe for you to fly home should be left in their hands.
- Never provide a medical facility with your credit card details or surrender your passport to them.
- Do not sign anything without first contacting us.
- You may be required to obtain your medical records in the event of a claim
- There is no cover for any claims under Section 2- Emergency medical and other expenses and Section 3 - Hospital benefit within your home area.

PRIVATE MEDICAL TREATMENT

There is no cover for medical expenses where the insured person elects to receive private medical treatment. This policy will provide cover for private medical treatment only if there is no appropriate reciprocal health agreement in existence and no public service available and **Emergency Assistance Facilities** reserves the right to organise a transfer from a private medical facility to a public medical facility where appropriate.

OUT-PATIENT TREATMENT OR MINOR INJURY OR ILLNESS:

If you need to see a doctor, ask your hotel reception or tour representative for the nearest public/state medical facility. Some hotels will urge you to seek private treatment however this is not necessary as private medical facilities vary greatly and are not equipped to deal with all emergencies. They may give you unnecessary treatment and at inflated prices - if you are ever in doubt please call the assistance team for advice on where to seek treatment. In Europe you should show them your EHC card as medical treatment will be free or at a reduced cost and you will not be required to contribute towards the claim as the standard policy excess will be reduced to NIL (increased excesses applied to declared conditions will still be required to be paid, if related to the cause of you requiring medical treatment). You will only be covered for the cost of private treatment if this is approved in advance by **Emergency Assistance Facilities**. If your outpatient bill is less than £500 then you will need to pay this to the medical facility, and ensure you keep all receipts so you can claim upon your return. In the event that you need to seek outpatient treatment when you are travelling in any of the countries listed below then it may be that immediate payment can be arranged locally using the services of Charge Care International whom we have appointed to act on our behalf. If the hospital you are treated at subscribes to this service they will ask to see your proof of insurance so it is important to carry this with you. You will be asked to complete a simple Charge Care form to

confirm the nature of the treatment received. The doctor or clinic will collect the policy excess from you and send their bill to Charge Care for payment. The countries where this service is available are: Greece and the Greek Islands, Cyprus, Bulgaria, Egypt, Mexico and Turkey. www.chargecareinternational.co.uk

Please note: The European Health Insurance Card (EHIC) is not available to residents of the **Channel Islands** or Isle of Man.

WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers you to come home early because you are ill or injured only if medical treatment is not available locally. If you are thinking of cutting short your trip because you are not well then you must contact **Emergency Assistance Facilities on + 44 (0) 203 824 0713** for advice first. If you need to come home for any other reason, such as the illness of a close relative in the **United Kingdom, Channel Islands** or **BFPO** then you should make your own arrangements, bearing in mind your duty to act at all times as if uninsured. If you are not sure whether your circumstances are included in the cover then call **Travel Claims Facilities on + 44 (0) 203 824 0714**.

Reciprocal health agreements with other countries

EU, EEA or Switzerland

If you are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland you are strongly advised to obtain an European Health Insurance Card (EHIC) by completing an application form via www.ehic.org.uk. You can also apply either online through www.flexicover.co.uk, or by telephoning the EHIC application line on 0300 330 1350. This will entitle you to benefit from the reciprocal health care arrangements which exist between countries within the EU/EEA or Switzerland.

If we agree to pay for a medical expense which has been reduced because you have used either a European Health Insurance Card or private health insurance, we will not deduct the policy excess under Section 2 - Emergency medical and other expenses.

Please note: The European Health Insurance Card (EHIC) is not available to residents of the **Channel Islands** or Isle of Man.

Australia

If you need medical treatment in Australia, you should enrol with a local MEDICARE office. You do not need to enrol when you arrive, but you should do this after the first occasion you receive treatment. In-patient and out-patient treatment at a public hospital will then be available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website on www.medicareaustralia.gov.au. Alternatively, please call the **Emergency Assistance Facilities** helpline for guidance.

If you are admitted to hospital, you must contact the **Emergency Assistance Facilities** helpline as soon as possible and get their authorisation in respect of any treatment NOT available under MEDICARE.

A note to all insured people, doctors and hospitals

This is not a private medical insurance. If you need any medical treatment, you must tell us immediately or we may not guarantee medical expenses. If you need any medical treatment, you must allow us or our representatives to see all of your medical records and information.

There is no cover for any claims under Section 2 - Emergency medical and other expenses and Section 3 - Hospital benefit within your home area.

Contact the **Emergency Assistance Facilities helpline on telephone number: + 44 (0) 203 824 0713**.

Section 1 – Cancellation and curtailment

What is covered

We will pay you up to the amount shown in the summary of cover for your proportion only of any irrecoverable unused travel and accommodation costs and other pre-paid charges which you have paid or are contracted to pay, together with your proportion only of any reasonable additional travel expenses incurred if:

- a. cancellation of the whole trip is necessary and unavoidable or
- b. cancellation of a pre-paid excursion booked in your home area up to £250 is necessary and unavoidable or
- c. the trip is curtailed or interrupted before completion

as a result of any of the following events occurring:

1. The death, **bodily injury**, illness, disease or **complications of pregnancy and childbirth** of:
 - a. you
 - b. any person with whom you are travelling or have arranged to travel with
 - c. any person whom you have arranged to stay with
 - d. your close relative
 - e. your close business associate.
2. Compulsory quarantine, jury service attendance or being called as a witness (but not as an expert witness) at a Court of Law of you or any person who you are travelling with or have arranged to travel with.
3. Redundancy (provided employment has been on a continuous full time basis with the same employer for at least 24 months and qualifies for payment under current redundancy payment legislation and, at the time of booking the trip or purchasing this policy, there was no reason to believe anyone would be made redundant) of you or any person who you are travelling with, or have arranged to travel with.

- You** or any person who **you** are travelling with, or have arranged to travel with, are a member of the Armed Forces, Territorial Army, Police, Fire, Nursing or Ambulance Services or employees of a Government Department and have **your**/their authorised leave cancelled or are called up for operational reasons, provided that such cancellation or **curtailment** could not reasonably have been expected at the time when **you** purchased this insurance or at the time of booking any **trip**.
- A government directive prohibiting all travel to, or recommending evacuation from, the country or area **you** were planning to visit or were staying in, as a result of natural disasters (such as earthquakes, fires, tsunamis, landslides, floods, hurricanes or epidemic(s) / pandemic(s)).
- The Police or other authorities requesting **you** to stay at, or return to, **your home** due to serious damage to **your home** caused by fire, aircraft, explosion, tsunami, avalanche, hurricane, storm, flood, subsidence, fallen trees, collision by road vehicles, malicious people or theft.

Special conditions relating to claims

- You** must get (at **your** own expense) a medical certificate from a **medical practitioner** and the prior approval of the **Emergency Assistance Facilities** helpline to confirm the necessity to return **home** prior to **curtailment** of the **trip**, due to death, **bodily injury**, illness, disease or complications arising as a direct result of pregnancy.
- If **you** fail to notify the travel agent, tour operator or provider of transport or accommodation as soon as **you** find out it is necessary to cancel the **trip** the amount **we** will pay will be limited to the cancellation charges that would have otherwise applied.
- If **you** cancel the **trip** due to:
 - bodily injury**, illness, disease, a new **medical condition** or complications arising as a direct result of pregnancy, **you** must provide (at **your** own expense) a medical certificate from a **medical practitioner** stating that this necessarily and reasonably prevented **you** from travelling.
 - We** need the medical certificate completed as soon as **you** find out it is necessary to cancel the **trip**, as any delay in seeing a **medical practitioner** could mean that **your** symptoms are no longer present. If **you** cannot get an immediate appointment, please make one for as early as possible and keep all details of this to help substantiate **your** claim.
- On the condition that **you** contact **Emergency Assistance Facilities** first, and **Emergency Assistance Facilities** make all the travel arrangements, **we** will pay necessary additional travelling costs incurred in returning **you home** in the event **you** have a valid curtailment claim.
- We** will only consider the unused expenses of a person who has taken out insurance cover with Flexicover. For example, if **you** are travelling with someone who is not insured, **we** only pay **your** proportion of costs, not theirs.

What is not covered

- The policy excess as shown in the summary of cover for each and every claim per incident claimed for under this section by each **insured person**.
- The cost of **your** unused original tickets where the **Emergency Assistance Facilities** helpline or **we** have arranged and paid for **you** to come **home** following **curtailment** of the **trip**. If however **you** have not purchased a return ticket, **we** reserve the right to deduct the cost of an economy flight from any additional costs **we** have incurred which are medically necessary to repatriate **you** to **your home**.
